SHELBYVILLE FIRST BAPTIST CHURCH

August 2017

Next Level Resumes Wednesday, August 9

Next Level at SFBC is a midweek opportunity to grow deeper in the faith and reconnect with friends in a warm and inviting atmosphere. We serve a delicious meal from 5:00-6:00 p.m. Discipleship sessions, Student worship, and AWANA begin at 6:15 pm. You are welcome to join us on Wednesdays beginning August 9 to experience life at the Next Level!

Christianity, Cults, and Religions

Led by Brad and Renee Callahan

America has people from all faiths and backgrounds. What do your non-Christian neighbors really believe? This in-depth study will provide information imperative to someone's salvation from the strange world of other religions, cults and the occult. If you are looking for more information for a friend or family member, this is an invaluable resource.

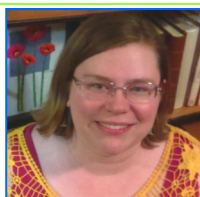

Optional Study Materials \$15. Aug 9 – Dec 6

Ladies Life Group

Led by Amanda Grace Schultz

"...take hold of the life that is truly Life..." 1 Timothy 6:19

Join us on Wednesday nights for weekly stand-alone Bible sessions designed especially for wives, moms, and single ladies in their 20's and 30's.

Aug 9 – Dec 6

Student Worship Grade 6-12

Led by Trey Behn, Student Pastor

Student Ministry on Wednesday Nights spends time focusing on Jesus and his impact on the practical dimensions of life. We also have a time when our Student Praise Team leads us in worship and when we enjoy some crazy shenanigans together!

AWANA 3 Years-5th Grade

Led by Chad Lynn,

Children & Recreation Pastor

AWANA is a scripture memorization ministry for families and their children. Each meeting will consist of game time, large group time with a touch of missions, and handbook time to recite verses to their leaders. **Materials cost: \$20**

Among Wolves

Led by Dr. R. Maurice Hollingsworth

Our world is changing. Our cities and neighborhoods are brimming with vibrant diversity. In Matthew, Jesus challenged His disciples by telling them, "Behold, I am sending you out as sheep among wolves." And He is calling us to do the same—to make disciples wherever we live, work and play. You will walk through eight significant movements in the Book of Matthew that will help you create cultures of disciple-making in your changing community.

Optional Study book \$13. Aug 9 - Sept 27

#Struggles: Following Jesus in a Selfie-Centered World

Led by Dr. R. Maurice Hollingsworth

We all love the benefits of technology and social media. Even with the incredible upsides, many of us suspect there are unintended negative consequences beyond our control. The more we compare ourselves with others, the less satisfied we are. The more we interact online, the more we crave face-to-face intimacy. The more filtered our lives become, the more challenging it is for us to be authentic. The more information we receive about the pain and crises in the world, the more difficult it is for us to care. This study will help us understand how it affects our emotions, our relationships, our attitudes, and our beliefs. #Struggles will show you the ways technology has enslaved you rather than served you and what changes your need to make in your life for restoring balance. Above all, it will point you to Christ and help you understand the healing He wants to do in you. As you follow His leading and seek Him first, you will find you are no longer defined by *who follows you* but by the *One you follow*.

No cost for this course. NOTE: Oct 4 – Dec 6

A word from your pastor....

My Beloved Church Family,

It is just amazing to me that the summer is almost over and the kids are back in school. Parents are preparing college students for the dorm, and teachers are gearing up for the school year. The summer has flown by. With that said, let me share my heart with you about some wonderful upcoming opportunities on the horizon.

Next Level will launch on August 9. We will resume our Wednesday fellowship meals and there will be some wonderful opportunities for personal spiritual growth for adults, students, and children.

We will be engaging once again with Indian Nationals alongside Hurstbourne Baptist Church. The nations have come to Kentucky. I hope that many of you will help us reach out with the Lord's love. Over 12,000 Indian nationals live in the Louisville Metropolitan Area. We can be a part of something that will make a difference in eternity. See me to learn more.

Our now-annual First Responder Weekend is also on the horizon. We will begin promoting this immediately, but the best promotion comes when you share with a

neighbor, friend or family member. We will say thanks to those who serve our community, and we will share the love of Jesus in the process. Mark your calendars for September 8-10, 2017. This massive effort will need the work and assistance of the whole church family. I hope you can be a part of this.

Our students will be reaching out in Cincinnati alongside a North American Mission Board church planter the second week of fall break. God is opening a door to work with internationals there as well. This should be a very affordable trip, since it is so close.

The summer has been wonderful with camp. Children squealed with delight at VBS. But now the time has come to look forward to the future. How will you serve the Lord this fall? How will you invest in the kingdom in such a way as to make an eternal difference? Think about the glory of your salvation. What is precious to you is what someone in our city, state and world needs also.

Bro. Maurice

Reach The Nations and Sleep At Home
