A word from your pastor....

My Beloved Church Family,
The way we choose to live, how we establish our priorities, and how we use our time affect those around us in a profound way. Our children are always watching us and deciding what within our world view is credible and worthy of emulation. Our neighbors see our faith and how we live it out, and they decide whether religious life is worth the time and trouble based upon how we live compared with what we claim to hold dear.

Mark Twain was one of our best-known American authors and humorists. His real name was Samuel Clemens. He is known for his novels, *The Adventures of Tom Sawyer* and *The Adventures of Huckleberry Finn*. Mark Twain married Olivia Langdon. She was a simple and devout Christian, but he was not a believer. For a while after they were married, they had prayer at meals and read the Bible each day. But this was soon given up. According to a conversation she had with her sister, Olivia said she had given up some of her religious beliefs. Her faith was shaken by people,

places, and philosophies to which she was exposed as she traveled the world with her husband. During a sad time in their lives Twain said to Livy, "If it comforts you to lean on the Christian faith, do so." "But I can't, I haven't any now," she sadly replied. Twain felt responsible for causing Livy to lose her faith and the thought came back to haunt him many times after her death in 1904. Mark Twain loved Livy devotedly, but apparently his unbelieving attitude had an effect on her, that even he didn't want.

How is your *believing* attitude affecting those around you? We are currently in the midst of a series of sermons called "Walking with Jesus." What was it like to walk with Christ in the First Century? And today as believers, what is it like to walk with Christ? I hope you are experiencing the joy of your salvation! Let's walk together in harmony and touch the world around us with the Gospel. In His grip,

Bro. Maurice

Thank You

Lisa and I can't begin to thank all of you for the prayers, cards, support and love you have shown us these past couple of months. We have felt embraced by your love through some very frightening times and through our grief. The support of our entire staff was constant and comforting. Our church is blessed beyond others with the compassion of our pastor. He is so Christ like. Gene was right there to lean on and stuck closer than a brother. Geoffrey, Trey and Chad each were there standing with us through trying times. We love each of you and are so grateful for all the ways you have cared for our family. Each card has been so appreciated and we know we could not have survived without all the prayers you have prayed. Thank you and we love you,

Gary & Lisa Curry

Thank you for letting us use the church cafeteria for the Middletown church to serve the dinner after Garnett's funeral. We appreciated all who helped in any way for this. The love you have shown to us during this difficult time with your phone calls, prayers, cards, visits will always be remembered. Our love,

Lee & Mary Belle Leet, Buddy & Dottie Smith

We want to thank each of you that extended your sympathy to us during the loss of our mother. Thank you to each one who sent a card, brought food, visited the funeral home, or gave a memorial gift. Thank you Bereavement Team for the delicious meal following the funeral. May the Lord richly bless each of you. **Joyce Sanford & Russell Mahoney**
