A word from your pastor....

My beloved church family,

The Chinese characters in the picture to the right are “Faith, Hope, and Love.” These timeless words of Scripture I hope will become defining words for our congregation. Earlier this year we adopted a new mission and vision statement toward that end. Let me offer a reminder of what we approved: **Mission Statement** -- To Live by Faith, To be Known by Love, and to be a Voice of Hope! **Vision Statement** -- *To make and deploy mature and equipped followers of Christ for the sake of Family, Community, and Global transformation.*

These are lofty goals. Our mission is to help lead people into a growing relationship with Jesus Christ by creating a dynamic environment for authentic worship and effective communication while developing a genuine servant-oriented family-community with each other. We are making progress toward realizing these objectives. Our newly adopted worship format is a step in the right direction! So many people bring together so many varied spiritual gifts to accomplish great things for the Kingdom of God. When we put God’s objectives at the forefront of all that we are

doing, as a church family we have the potential to thrive.

I am excited about the days ahead. I look to the spiritual vitality which I see within the hearts of our students and I am so very encouraged about the future. I look forward to seeing whom God will raise up to take the reins of spiritual responsibility in the coming generations. Some of those very students who are coming to life in their faith may be the next generation of Bible study leaders, pastors or missionaries. God is at work. Seeing that play out is more gratifying than just about anything else. I am honored to lead this flock. I love you and serving as your pastor is one of the great honors of my life.

May God bless our efforts to make His name known in the days ahead.

Bro. Maurice

Make packing your shoe boxes a family event, then bring your completed boxes to the pulpit on November 17. We will pray over them as they begin their journey to children around the world.

Check out this link for how to pack a shoebox:
