A word from your pastor....

My beloved church family, God is at work on so many fronts! What I see happening among our students truly inspires me! If you were in worship on Sunday, September 22, 2019, you may have seen many gray tee shirts with "Word" across the front. The group, under the leadership of our interim Student Leader, Brad Callahan, has adopted this mantra: "Get into the Word until the Word gets into you!" Nothing could be more true. God's Word is a two-edged sword. It confronts us, changes us, and transforms us into something beautiful to be used for His glory! The Gospel is changing our students for His glory. Along with Southern Baptists across the nation, we have been focusing upon the "Who's your One?" Campaign. So many of you have shared with me who you are praying for to receive Christ or come back to Him. Prayer truly is a spiritual discipline. God hears us. He loves us. He understands us. And when we pray for what we know to be His will, we wait with a sense of expectancy to see what will be accomplished in the hearts and lives of those around us. Don't lose

heart if you continue to wait. Paul was called to minister, but it was over a decade before Barnabas enlisted him to help. Persevere in your prayer.

Finally, our church family has been pondering the possibility of a new and exciting potential for worship. Nothing would thrill my heart more than seeing our family of faith coming together to worship side by side. Putting personal preferences aside, I see the vast potential of a truly combined worship style where the whole family values and affirms the legacy of our tradition and the potential of reaching a new generation for the sake of the Kingdom. I sincerely hope you will join us as we seek His face at our business session on October 13, 2019.

Our greatest days lie ahead, and I am honored and privileged to be the shepherd of this wonderful flock. We listen for the sound of the Chief Shepherd's voice, knowing He loves us and has a wonderful plan for our body of faith.

Bro. Maurice

Online **GIVING**

IS

CHANGING

We are making exciting changes to our church's online community! Our new site will make it easier for you to give and provide you with more ways to minister to each other online. You can use the link or QR code provided here to set up your account in our new online community. Current online givers will receive an email invite to create an account. Please use the link in that email and follow the steps to create a password.

Once you have an account, you can sign in and set up your scheduled donation. **To ensure that your gifts continue as you intend and you aren't doubling your donation, you'll need to delete your scheduled gift with Pushpay, our old online giving site.** Please complete these steps by 10/31/19 as we hope to transfer completely off our old system soon. Your generous support is vital to our ministry. Thank you for taking a few moments to update your giving information. If you have any questions, please contact the church office at 633-1317. <https://onrealm.org/FirstBaptistChu43239>

Acceptance

We learn to accept the ways of life,
The events fate leads us to.
We do so try to plan our lives
Then along comes something new.

We easily accept the good times.
They bring gladness to the heart.
We must also accept our losses
With the lessons they impart.

We strive for gain and achievement,
So hurried on our way,
While often overlooking
How precious is today.

We learn with our acceptance
To find a way somehow
To treasure every moment,
For all we have is now.

We will know of pain and sorrow
As we travel through this life,
But a loving God sustains us
As we face our trials and strife.

When we're accepted by our peers
We feel comfort and reward,
But greater is the blessing
Of acceptance by our Lord.
